

# U.S. REO Partners Law Firm Membership Benefits & Pricing

1

## Supporting your front-line foreclosure work.

U.S. REO Partners takes a dual track content approach that balances client needs across foreclosure and REO. Our events, publications, and educational offerings leverage our law firm and real estate membership categories to offer a holistic look at pre-foreclosure, foreclosure, eviction, and REO sales, offering our mortgage servicer and investor members a comprehensive platform to tackle issues at every step of the disposition process.

+ exclusive publication opportunities in PRTNR magazine & client-direct updates

2

## Feeding your back-end closing business.

U.S. REO Partners' membership introduces law firms to the industry's leading REO asset management companies and high volume brokers in a position to drive REO and retail closing work to member firm's closing operations. Our extensive client database covers servicing personnel in pre- and post-foreclosure operational and management roles. Our broker membership includes nearly 200 of the largest REO brokerages in the nation and ancillary retail business.

+ networking with brokers, mortgage servicing clients, and REO asset managers

3

## Referring retail title and escrow work.

U.S. REO Partners represents only the most experienced REO brokers in every major MSA (metropolitan statistical area) in the country. Their operations touch major real estate brokerages in every market and offer significant cross-channel marketing for not only REO closings, title, and escrow work, but for short sale, retail, and other traditional real estate transactions.
